

## Instructions to download our Packing Lists

1. Click on <http://bit.ly/3Gr7zxZ>
2. Go to File
3. Click on “Create a copy”
4. The copies are there for you to edit yourself!  
*Please do not edit the original file, only edit your copy that you made*
5. On the bottom, there are 3 tabs: One for the winter list, one for the tropical list, and one blank list.

\*If you have any trouble opening these spreadsheets, it's usually a browser issue or security settings. Make sure you have the latest version of your browser.

\*For any additional questions or support, email us
