What You Need to Know

STARTING DATE | GOHQ Virtual starts on Monday, September 8th.

The first session will kickoff at 10:30 AM ET — this will be a LIVE party with Laura + Tasha, the hosts of GOHQ Virtual! If you can't make it live, that's not a problem. You'll have the opportunity to watch the replay!

HOW TO WATCH | New sessions will be released hourly. Here's how to watch:

GOHQ Virtual is, of course, virtual! Everything is online. There are two places you can go to find the links to the active sessions. The first is your email inbox. Each morning of GOHQ Virtual you'll get an email with the links for that day's sessions. You can also view all available sessions on the schedule page (gohqv.com/watch25). (But remember, this event doesn't start until September 8th, so no sessions will be available until then!)

WHEN TO WATCH | Sessions are available to view for free for 24 hours.

GOHQ Virtual is thrilled to welcome attendees from around the world! Sessions are made available to view for free for 24 hours, so no matter what time zone you live in, you'll have the opportunity to hop on and watch. And if your favorite speaker's session releases at 1:00 PM ET but you don't get off work until 7:00 PM ET — don't fret! You'll still be able to get online and catch it after work.

THE ALL ACCESS PASS | You can get instant + lifetime access in the All Access Pass.

Don't want to wait until September 8th to start watching? Afraid you won't have time to watch all the sessions you want to see? You can snag instant and lifetime access to GOHQ Virtual 2025 by purchasing the All Access Pass. That means you can start watching **right now** and your access never, ever expires! Plus, All Access Pass purchasers get thousands, yes THOUSANDS of dollars worth of bonus materials! Visit gohqv.com/pass25 to check out the All Access Pass.

Frequently Asked Questions

Q. Where do I find links to the free sessions?

A. Once the conference begins on September 8th, you'll be able to find session links in two places. The first is right in your email inbox. Look for an email from **laura@iheartplanners.com** — every morning we'll send you an email with the session links for the day. The second is right here on this schedule page. Remember that no sessions will be available until the conference starts on September 8th. If you want instant access, you can purchase the All Access Pass.

Q. What time zone are the session times given in?

A. All times are given in Eastern Time.

Q. What if I'm not available at the time a session is scheduled?

A. Every session will be available to view for free for 24 hours, so if you're not available right when a session releases, no worries! You'll have 24 hours to hop on and enjoy.

Q. If this is free, why am I being asked to purchase an All Access Pass?

A. The All Access Pass is an optional purchase for those who would like lifetime access to the GOHQ Virtual 2025 sessions. But remember, you are absolutely not required to purchase the pass in order to enjoy the virtual conference. Every session is made available for free for a limited time to viewers. Every year thousands of women sign up and enjoy the free access to the sessions without making an additional purchase, and that is A-OK — it's why we offer the free access option!

Q. There are SO many sessions. How do I know which are best?

A. There truly is something for everyone at Get Organized HQ Virtual! If you're having a hard time deciding which sessions you'd most like to view, take advantage of this free quiz that will give you personalized session recommendations!

Q. What are the keynote sessions?

A. Get Organized HQ Virtual attendees have the special opportunity to attend the evening keynote sessions. The 8th through the 13th, you're invited to join us as we air a session from one of our all-star speakers. (These sessions will be live on YouTube @GetOrganizedHQ, but we'll get you there just like we do any other session via your email inbox or the schedule page!) Then, after the session, attendees will get the treat of a live Q+A with the presenter! It's always a great time — if you can make one of these sessions live, we highly recommend it!

Q. I need customer support. Who do I contact?

A. We have a fantastic customer care team working long hours to answer all your questions about GOHQ Virtual. You can reach them by emailing **support@getorganizedhq.com** — look for their response within 12 to 24 hours!
